B. The Owners and the Association desire to amend and restate all provisions of the Original Declaration, as amended and supplemented, by virtue of this Amended and Restated Declaration of Covenants, Conditions and Restrictions (“Declaration”), and intend, upon the recording of this Declaration, that all prior recorded declarations, amendments and supplements thereto shall be superseded and replaced by this Declaration.

C. The Original Declaration provides for and allows for this Declaration in Article X, Section 3, which provides as follows:

The covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Association, or the Owner of any Lot subject to the Declaration, their respective legal representatives, heirs, successor, and assigns for a term of twenty (20) years from the date this Declaration is recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years. The covenants and restrictions of this Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than seventy-five percent (75%) of the Lot Owners provided, however, that if any amendments hereto shall be necessary in order to allow Declarant to convey Lots to purchasers who acquire such Lots by financing obtained through the Federal Housing Administration of [sic] the Veterans Administration and such amendments are not unreasonable, then the approval of Class A members shall not be required for such amendments. Any amendment made must be properly recorded in the Deed Records for Arapahoe County, Colorado.

D. Pursuant to the Colorado Common Interest Ownership Act, C.R.S. §38-33.3-217(1)(a), the required approval of 75% of the Lot Owners for amendments is now void.

G. The amendments within this Declaration have been prepared and determined by the Association and by the Owners that have approved this Declaration to be reasonable and not burdensome;

H. The purposes of the amendments in this Declaration are to remove unreasonable restrictions on the community, remove developer "boilerplate" language that is no longer applicable to the Community, remove provisions that do not allow the Board to efficiently operate the community or deal with community concerns, remove provisions that do not comply with current state law, add provisions that provide the proper tools for the Association to effectively solve problems, add provisions to provide the Association with sufficient power to create and successfully enforce Rules and Regulations, and add provisions that reflect beneficial state law provisions.

I. The purpose of the Association as provided in the Declaration is to protect the value and desirability of the Community; and

J. Pursuant to the Colorado Common Interest Ownership Act, C.R.S. §38-33.3-217(1)(a), at least 67% of the Lot Owners have approved this Declaration, or alternatively, a Court Order entered by the District Court for Arapahoe County, Colorado pursuant to C.R.S. §38-33.3-217(7), has been entered approving this Declaration.

(B) only if the Association has failed to exercise due care to correct the leak or flow within a reasonable time thereafter.

(ii) The Association shall not be liable to the Owner of any Lot or such Owner's tenant, guest, or family, for loss or damage, by theft or otherwise, of any property which may be stored in or upon any of the Common Area.

(iii) The Association shall not be liable to any Owner, or any Owner's tenant, guest or family for any damage or injury resulting from the Association's negligence where such damage or injury is not a foreseeable, natural result of the Association's negligence.

(iv) No diminution or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken or performed by the Association under this Declaration, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority.

Section 4.2 Owner's Maintenance Responsibility.

(a) Except as otherwise provided in this Declaration, each Owner shall have the obligation to maintain, repair and replace all portions of the Owner's Lot and the Limited Common Area appurtenant thereto as further set forth in Exhibit A of this Declaration.

(b) The Association, upon written resolution of the Board, shall have the authority to require all Owners to do any act or perform any work involving portions of the Community which are the Owner's maintenance responsibility, which will, in the Association's sole discretion, conserve common utilities.

(c) The Association shall have right, but not the obligation, to install water, electricity or other commonly provided utility conservation devices (including, but not limited to, toilets and shower heads) as a Common Expense of the Association. If the Association installs such equipment as a Common Expense and the utility provider has a rebate program, the Association shall be entitled to the rebate.

Section 4.3 Owner Responsibilities. Each Owner shall have the responsibility to:

(a) perform his or her maintenance responsibility in such manner so as not to unreasonably disturb other persons in Townhomes;

(b) promptly report to the Association or its agent any defect or need for repairs, for which the Association is responsible;

(c) pay for the cost of repairing, replacing or cleaning up any item which is the responsibility of the Owner but which responsibility such Owner fails or refuses to discharge (which the Association shall have the right, but not the obligation, to do), or to pay for the cost of repairing, replacing or cleaning up any item which, although the responsibility of the Association, is necessitated by reason of the willful or negligent act of the Owner, his or her family, tenants, guests, with the cost thereof to be added to and become part of the Owner's next chargeable Assessment; and

(d) An Owner shall not be liable for injury or damage to person or property caused by or resulting from the Owner's maintenance or lack of maintenance of the Lot or any Limited Common Area appurtenant thereto except if the Owner has failed to exercise due care in performing said maintenance. An Owner shall not be liable to any other Owner, or any Owner's occupant, guest or family or the Association for any damage or injury caused in whole or in part by the Owner's failure to discharge its responsibilities under this Section where such damage or injury is not a foreseeable, natural result of the Owner's failure to discharge its responsibilities.

Section 4.4 Mold. Each Owner shall be required to take necessary measures to retard and prevent mold from accumulating in the Townhome, and the Common Area, including but not limited to appropriate climate control, removal of visible moisture accumulation on windows, window sills, walls, floors, ceilings and other surfaces and cleaning of the same. No Owner shall block or cover any heating, ventilation or air conditioning ducts. Owners shall immediately notify the Board in writing of the following: (a) any evidence of water leaks, water infiltration or excessive moisture in a Townhome; (b) any evidence of mold that cannot be removed by the Owner with a common household cleaner; (c) any failure or malfunction in heating, ventilation or air conditioning; (d) any inoperable doors, windows, heating, ventilation or air conditioning ducts. The receipt of notice by the Association shall not create any additional Association maintenance responsibility other than those set forth in this Declaration. Owners shall be responsible for any damage to his or her Lot and personal property, to any other Lot or the Common Area, as well as any injury to the Owner or occupants resulting from the Owner's failure to comply with this section. Owners shall be responsible for all costs and expenses incurred by the Board to remove mold and/or damage within his or her Lot, to any other Lot or to the Common Area if the Owner fails to meet the requirements of this Section.

Section 4.5 Failure to Maintain. If the Association determines that any Owner has failed or refused to discharge properly his or her obligation with regard to the maintenance, repair, or replacement of items of which he or she is responsible hereunder, then, except in the case of an emergency, the Association shall give the Owner written notice of the Owner's failure or refusal and of the Association's right to provide necessary maintenance, repair, or replacement at the Owner's cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair, or replacement deemed necessary by the Association.

Unless the Association determines that an emergency exists, the Owner shall have 10 days within which to complete maintenance or repair, or if the maintenance or repair is not capable of completion within such time period, to commence replacement or repair within 10 days. If the Board determines that: (i) an emergency exists or (ii) that an Owner has not complied with the demand given by the Association as provided in this Section; then the Association may provide any such maintenance, repair, or replacement at the Owner's sole cost and expense, and such costs shall be added to and become a part of the Assessment to which such Owner is subject, shall become and be a lien against the Lot, and shall be collected as provided in this Declaration for the collection of Assessments.

If the Board determines that the need for maintenance or repair is a Common Expense and is caused through the willful or negligent act of any Owner, or occupant or their family, guests, lessees, or invitees, then the Association may assess the cost of any such maintenance, repair, or replacement against the Owner's or occupant's Lot, shall become a lien against the Lot, and shall be collected as provided in this Declaration for the collection of Assessments.

ARTICLE 5 PARTY WALLS

Section 5.1 General Rules of Law to Apply. Each wall which is built as a part of the original construction of a Townhome upon the Property and placed on the dividing line between Lots shall constitute a party wall. To the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply.

Section 5.2 Sharing of Repair and Maintenance. The cost of reasonable repair, replacement and maintenance of a party wall shall be shared by the Owners who make use of the wall in equal proportions.

Section 5.3 Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, then, to the extent that such damage is not covered by insurance and repaired out of the proceeds of same, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in equal proportions without prejudice, however, subject to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 5.4 Liability for Negligence. Notwithstanding any other provision of this Article, to the extent that such damage is not covered and paid by the insurance provided for in this Declaration, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements and damages as a result of failure to do so.

Section 5.5 Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 5.6 Dispute Resolution. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, the parties shall submit the dispute to mediation. If the dispute cannot be resolved through mediation, the parties may pursue the dispute in arbitration or through a legal proceeding before a court.

ARTICLE 6 COVENANT FOR COMMON EXPENSE ASSESSMENTS

Section 6.1 Creation of Association Lien and Personal Obligation to Pay Common Expense Assessments. Each Owner, by acceptance of a deed for a Lot, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association annual Common Expense Assessments, water and sewer Assessments, if levied, (assessed as provided herein), and such other Assessments as imposed by the Association.

Such Assessments, including fees, charges, late fees, attorney fees, fines and interest charged by the Association and additional fees charged by the managing agent, including but not limited to, administration and witness fees, shall be the personal obligation of the Owner of such Lot at the time when the Assessment or other charges became or fell due. The Association annual Common Expense Assessments and such other Assessments as imposed by the Association, including fees, charges, late fees, attorney fees, fines and interest charged by the Association, shall be a charge on each Lot and shall be a continuing lien upon the Lot against which each such Assessment or charge is made. If any Assessment is payable in installments, the full amount of the Assessment is a lien from the time the first installment becomes due. The personal obligation to pay any past due sums due the Association shall not pass to a successor in title unless expressly assumed by them. No Owner may become exempt from liability for payment of the Common Expense Assessments by waiver of the use or enjoyment of the Common Areas or by abandonment of the Lot against which the Common Expense Assessments are made. All Assessments shall be payable in the amounts specified in the levy thereof, and no offsets or reduction thereof, except as provided in this Declaration, shall be permitted by any reason including, without limitation, any claim that the Association or the Board of Directors is not properly exercising its duties and powers under this Declaration. Except as provided in this Declaration, all Common Expense Assessments shall be assessed against all Lots equally.

Section 6.2 Basis of Assessments. The Common Expense Assessment may be made on an annual basis against all Lots and shall be based upon the Association's advance budget of the cash requirements needed by it to provide for the administration and performance of its duties during such Assessment year.

Section 6.3 Annual Assessment. The budget for annual Assessments shall be submitted to the Owners for ratification pursuant to Section 303(4) of the Act and as set forth in the Bylaws, as the Bylaws may be amended from time to time. The budget may be vetoed by votes of Owners representing a majority of the total Association vote. Assessments for Common Expenses shall be due and payable in monthly, quarterly, or annual installments, or in any other manner, as determined by the Board of Directors. The omission or failure of the Board of Directors to levy the Assessment for any period shall not be deemed a waiver, modification or a release of the Owners from their obligation to pay.

Section 6.4 Supplemental Assessments. The Association shall have the right to add to any Owner's Assessment as provided in this Article the following:

- (a) Those amounts expended by the Association for the benefit of any individual Lot or any occupant thereof, including but not limited to: improvement, repair, replacement and maintenance specific to a Lot; improvement, repair, replacement or maintenance caused by the negligent or willful acts of any Owner, his or her guest, employee, licensee, lessee or invitee as set forth in this Declaration;
- (b) Any extraordinary maintenance, repair, improvement or replacement costs of any area which the Association maintains required on fewer than all the Lots;

(c) Any extraordinary insurance costs incurred as a result of the value of a particular Owner's Townhome or the actions of an Owner (or his agents, guests, licensees, invitees or lessees);

(d) All fines and costs assessed against an Owner pursuant to the Governing Documents; and

(e) Any other expenditures or charges which the Board, in its sole discretion, chooses to allocate to a Lot and are reasonably determined to be allocable to a particular Lot.

Section 6.5 Water and Sewer Assessments. In addition to all Assessments herein provided for, the Association will bill each Lot for water and sewer services. Individual Lot will be provided water and sewer services through master meters. The Association shall bill each Lot for such services upon either a flat rate basis or such other basis as the Board of Directors reasonably determines. Funds paid to the Association as water and sewer Assessments shall not be commingled with other Association funds and no such water and sewer Assessment shall be considered to be all or any part of an annual, supplemental or special Assessment under this Declaration; provided, however, that the lien created by Section 6.1 of this Article 6 shall apply to such water and sewer Assessments together with interest, costs and reasonable attorney fees. Upon failure to pay water and sewer Assessments within 30 days of demand therefore, the Association may, in addition to other remedies available for nonpayment of Assessments, terminate the water service to the applicable Lot and not restore such service until such past due water and sewer assessments, together with any costs and fees, including reasonable attorneys fee, in connection with the termination of service or resumption thereof, have been paid. The Association shall endeavor to enter into an agreement with the governmental entity responsible for such service that in the event the Association is able to make partial payments for either water or sewer service to the Properties, such partial payment will itemize those Lots for which such service is being paid and those Lots which are delinquent. The agreement shall provide that the governmental entity responsible for water or sewer service will terminate service or impose such other legal penalties as the entity may have the right to use only with respect to delinquent Lots as evidenced by the itemized list furnished by the Association.

Section 6.6 Application of Payments. All sums collected on a delinquent account referred to an attorney shall be remitted to the Association's attorney until the account is brought current. All payments received on an account of any Owner or the Owner's Lot shall be applied to payment of any and all legal fees and costs (including attorney fees), expenses of enforcement and collection, late fees, returned check fees, lien fees and other costs owing or incurred with respect to such Owner pursuant to the Governing Documents, prior to application of the payment to any special or regular Assessments due or to become due with respect to such Owner.

Section 6.7 Effect of Non-Payment of Assessments.

(a) Any Assessment, charge or fee provided for in this Declaration, or any monthly or other installment thereof, which is not fully paid within 30 days after the due date thereof, as established by the Board of Directors, shall bear interest at the rate established by the Board of Directors, on a per annum basis to accrue monthly, from the due date, and the Association may assess a reasonable late fee thereon as determined by the Board of Directors.

(b) Failure to make payment within 45 days of the due date thereof shall cause the total amount of such Owner's Common Expense Assessment for the remainder of that fiscal year to become immediately due and payable at the option of the Board. The Board may, in its discretion, decelerate the Member's annual Assessment.

(c) Further, the Association may foreclose its lien and/or bring an action at law or in equity, or all of the same, against any Owner personally obligated to pay such overdue Assessments, charges or fees, or monthly or other installments thereof. An action at law or in equity by the Association against an Owner to recover a money judgment for unpaid Assessments, charges or fees, or monthly or other installments thereof, may be commenced and pursued by the Association without foreclosing, or in any way waiving the Association's lien therefor. Likewise, the obtaining of a money judgment shall not preclude the foreclosure of the Association's lien so long as the judgment remains unsatisfied.

(d) Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to estop or otherwise preclude the Association from thereafter again foreclosing or attempting to foreclose its lien for any subsequent Assessment, charges or fees, or monthly or other installments thereof, which are not fully paid when due. The Association shall have the power and right to bid on or purchase any Lot at foreclosure or other legal sale, and to acquire and hold, lease, mortgage, convey or otherwise deal with the same. If a foreclosure action is filed to foreclose any Assessment lien, and a Owner abandons or leaves vacant his or her Lot, the Board may take possession and rent said Lot or apply for the appointment of a receiver for the Lot without prior notice to the Owner. The rights of the Association shall be expressly subordinate to the rights of any holder of a first lien security interest as set forth in its deed of trust or mortgage (including any assignment of rents), to the extent permitted under the Act.

Section 6.8 Assignment of Rents. If a Lot is rented by its Owner, the rent is hereby pledged and assigned to the Association as security for the payment of all Assessments due by that Owner to the Association. If the Assessments owed by the Owner of a rented Lot are more than 30 days delinquent, the Association may collect, and the occupant or lessee shall pay to the Board, the rent for any Lot owned by the delinquent Owner, or that portion of the rent equal to the amount due to the Association; provided, however, the lessee need not make such payments to the Association in excess of or prior to the due date for monthly rental payments unpaid at the

time of the Association's request. The Association shall send notice to the Owner by any reasonable means at least 10 days prior to initiating the collection of rent from the Owner's occupant or lessee. The occupant and/or lessee shall not have the right to question the Association's demand for payment. Payment by the occupant or lessee to the Association will satisfy and discharge the occupant or lessee's duty of payment to the Owner for rent, to the extent of the amount paid to the Association. No demand or acceptance of rent under this Section shall be deemed to be a consent or approval of the Lot rental or a waiver of the Owner's obligations as provided in the Declaration. The Association shall not exercise this power where a receiver has been appointed with respect to a Lot or Owner, nor in derogation of the exercise of any rights to rents by the holder of a first lien security interest of a Lot. If an occupant or lessee fails or refuses to pay rent to the Association as provided for in this Section, the Association shall have the right to bring an action for unlawful detainer for non-payment of rent under Colorado statutes, and the costs and attorney fees incurred by the Association in connection with that action shall be collectable from the occupant or lessee in that action, and from the Owner of the Lot in the same manner as any other Assessment under this Declaration.

Section 6.9 Lien Priority. The lien of the Association under this Section is prior to all other liens and encumbrances on a Lot except: (1) liens and encumbrances recorded before the recordation of the Declaration; (2) a first lien security interest on the Lot (except as allowed by the Act with regard to the limited lien priority allowed to the Association); and (3) liens for real estate taxes and other governmental assessments or charges against the Lot. This Section does not affect the priority of mechanics' or materialmen's liens. The lien of the Association under this Article is not subject to the provision of any homestead exemption as allowed under state or federal law. The acceptance of a deed to a Lot subject to this Declaration shall constitute a waiver of the homestead exemption as against said Assessment lien. Sale or transfer of any Lot shall not affect the lien for said Assessments or charges except that sale or transfer of any Lot pursuant to foreclosure of any first lien security interest, or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture shall only extinguish the lien of Assessment charges as provided by applicable state law. No such sale, transfer, foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure, nor cancellation or forfeiture shall relieve any Lot from continuing liability for any Assessment charges thereafter becoming due, nor from the lien thereof.

Section 6.10 Borrowing. The Association shall have the power to assign its right to future income, including the right to assign its right to receive Common Expense Assessments, but only upon the affirmative vote of a majority of the Owners present and voting, in person or by proxy, at a duly constituted meeting called for that purpose.

ARTICLE 7 USE RESTRICTIONS

Section 7.1 Flexible Application of the Subsequent Covenants and Restrictions. All Lots within the Timbers Community shall be held, used and enjoyed subject to the following limitations and restrictions. The strict application of the following limitations and restrictions in any specific case may be modified or waived, in whole or in part, by the Board of Directors or by an appropriate committee (subject to review by the Board of Directors) if such strict application would be unreasonable or unduly harsh under the circumstances. Any such modification or waiver must be in writing.

Section 7.2 Authority. All provisions of the Governing Documents shall apply to Owners and their guests, tenants, invitees and licensees. Owners and their successors and assigns, by acceptance of a deed to their Lot, acknowledge that they have been given notice, and that:

(a) The ability of Owners to use their Lots may be limited by the provisions in the Governing Documents.

(b) The Board may, from time to time, adopt and amend definitions of words, phrases and terms used in this Declaration and other Governing Documents.

(c) The Board may establish penalties for the infraction of all regulations, and Owners will be responsible for fines assessed against their tenants, guests and invitees for violations of the restrictions. Such fines and penalties shall be set forth in the Rules and Regulations or policies of the Association and shall be disclosed to all Owners in accordance with the Act.

(d) All fines imposed are collectable as Assessments.

Section 7.3 Use/Occupancy. All Lots within the Community shall be used only for those uses and/or purposes as allowed by the local zoning, control and regulation, and permitted by this Declaration, subject to any Rules and Regulations adopted by the Association. Lots shall not be used for any purpose other than a residential dwelling except as set forth in this Section. Home occupations shall be allowed so long as the home occupations are incidental and secondary to the use of the Lot and does not change the residential character thereof, comply with local zoning ordinances and regulations, and comply with this Declaration. External advertising of any kind is prohibited. In no instance shall a home occupation be visible externally, nor shall any home occupation employ any person other than the Owner. Uses which have one or more of the following characteristics are not permitted: (a) manufacturing or fabrication of any kind; (b) storage of hazardous materials; (c) increased traffic or parked vehicles beyond that reasonable and customary to a residential dwelling use; (d) permanent or long term parking of heavy equipment, including semi trailers; (e) the use or rental of any structure on a Lot for any transient, hotel, motel, bed and breakfast, restaurant, bar or other commercial purposes.

If the Owner of a Lot is a corporation, partnership, trust or other legal entity not being a natural person, the entity shall designate in writing the name(s) of the person(s) who will occupy the Lot. The designated person(s) shall not be changed more frequently than once every one year, and any such change must be designated in writing within 10 days of the change.

Section 7.4 Leasing and Occupancy. In order to preserve the character of the Community as predominantly Owner-occupied, and to comply with the eligibility requirements for financing in the secondary mortgage market, the leasing of Lots shall be governed by the restrictions imposed by this Section. Except as provided herein, the leasing of Lots shall be prohibited. "Leasing," for the purposes of this Declaration, is defined as regular, exclusive occupancy of a Lot by any person other than the Owner; provided, however, for the purposes of this Declaration, leasing shall not include the occupancy of the Lot by the child or parent of an Owner. For purposes of this Declaration, occupancy by a roommate of an Owner who occupies the Lot as such Owner's primary residence shall not constitute leasing under this Declaration.

(a) General. Owners desiring to lease their Lots may do so only if they have applied for and received from the Association either a "Leasing Permit" or a "Hardship Leasing Permit." Such a permit, upon its issuance, will allow an Owner to lease his or her Lot provided that such leasing is in strict accordance with the terms of the permit and this Section. The Association shall have the authority to establish conditions as to the duration and use of such permits consistent with this Section. All Leasing Permits and Hardship Leasing Permits shall be valid only as to specific Owners and Lots and shall not be transferable between either Lots or Owners; provided, however if a valid lease is in place at the date of transfer of the Lot, that lease may continue until the expiration of the lease term or for a maximum of one year, whichever is earlier.

(b) Applicability. Those Owners who are leasing their Lots upon the effective date of this Declaration shall be entitled to a Leasing Permit, notwithstanding the percentage limitations set forth herein. However, upon conveyance or transfer of a Lot, any grantee of the Lot shall be subject to the provisions of this Section.

(c) Leasing Permits. An Owner's request for a Leasing Permit shall be approved if current, outstanding Leasing Permits have not been issued for more than 25% of the total Lots in the Community. A Leasing Permit shall be automatically revoked upon the happening of any of the following events: (1) subject to the terms of subsection (a) above, the sale or transfer of the Lot to a person or entity other than the Owner (excluding sales or transfers to (a) an Owner's spouse, (b) a person cohabitating with the Owner, and (c) a corporation, partnership, company, or legal entity in which the Owner is a principal); (2) the failure of an Owner to lease his or her Lot within 180 days of the Leasing Permit having been issued; or (3) the failure of an Owner to have his or her Lot leased for any consecutive 180 day period thereafter. The Board may make an exception to the 180 day provision upon written application from the Owner at least 30 days prior to the expiration of the 180 day period that shows the Owner made reasonable efforts to rent

the Lot, but has been unable to do so due to market conditions or if the Owner demonstrates an abnormal or hardship reason for the vacancy. If current Leasing Permits have been issued for more than 25% of the total Lots, no additional Leasing Permits shall be issued (except for Hardship Leasing Permits) until the number of outstanding current Leasing Permits falls below 25% of the total Lots in the Community. Owners who have been denied a Leasing Permit shall automatically be placed on a waiting list for a Leasing Permit and shall be issued the same if they so desire when the number of current outstanding Leasing Permits issued falls to 25 % or less of the total Lots in the Community. The issuance of a Hardship Leasing Permit to an Owner shall not cause the Owner to be removed from the waiting list for a Leasing Permit.

(d) Hardship Leasing Permits. If the failure to lease will result in a hardship, the Owner may seek to lease on a hardship basis by applying to the Association for a Hardship Leasing Permit. The Association shall have the authority to issue or deny requests for Hardship Leasing Permits in its discretion after considering the following factors: (1) the nature, degree, and likely duration of the hardship, (2) the harm, if any, which will result to the Community if the permit is approved, (3) the number of Hardship Leasing Permits which have been issued to other Owners, (4) the Owner's ability to cure the hardship, and (5) whether previous Hardship Leasing Permits have been issued to the Owner. A "hardship" as described herein shall include, but not be limited to the following situations: (1) an Owner must relocate his or her residence outside the greater Denver metropolitan area and cannot, within six months from the date that the Lot was placed on the market, sell the Lot except at a price below the current appraised market value, after having made reasonable efforts to do so; (2) where the Owner dies and the Lot is being administered by his or her estate; and (3) the Owner takes a leave of absence or temporarily relocates and intends to return to reside in the Lot. Hardship Leasing Permits shall be valid for a term not to exceed one year. Owners may apply for additional Hardship Leasing Permits. Hardship Leasing Permits shall be automatically revoked if, during the term of the permit, the Owner is approved for and receives a Leasing Permit.

(e) Leasing Provisions. Leasing which is authorized, pursuant to permit, hereunder shall be governed by the following provisions:

(i) Notice. Within 10 days of entering into a lease with a tenant, Owners shall provide the Board with written notification of any such lease with the tenant's information as well as a signed confirmation that the tenants were provided with a copy of the Community's Governing Documents and acknowledgment that such tenants will abide by the Governing Documents.

(ii) General. Lots may be leased only in their entirety; no fraction or portion may be leased without prior written Board approval. All leases shall be in writing. The Board may maintain and, upon request, provide a form which is deemed acceptable. There shall be no subleasing of Lots or assignment of leases without prior written Board approval. All leases must be for an initial term of not

less than one year, unless otherwise approved by the Board in cases of undue hardship. Within 10 days after executing a lease agreement for the lease of a Lot, the Owner shall provide the Board with a copy of the lease and the name of the lessee and all other people occupying the Lot. The Owner may redact financial terms of the lease. The Owner must provide the lessee copies of the Declaration, Bylaws, and the Rules and Regulations. Nothing herein shall be construed as giving the Association the right to approve or disapprove a proposed lessee; the Board's approval or disapproval shall be limited to the form of the proposed lease.

(iii) Compliance with Governing Documents and Use of Common Area. Each Owner covenants and agrees that any lease of a Lot shall contain the following language and agrees that if such language is not expressly contained therein, then such language shall be incorporated into the lease by existence of this covenant, and the lessee, by occupancy of the Lot, agrees to the applicability of this covenant and incorporation of the following language into the lease.

(A) Compliance with Governing Documents. The lessee shall comply with all provisions of the Governing Documents adopted pursuant thereto and shall control the conduct of all other occupants and guests of the leased Lot in order to ensure such compliance. The Owner shall cause all occupants of his or her Lot to comply with the Governing Documents adopted pursuant thereto, and shall be responsible for all violations by such occupants, notwithstanding the fact that such occupants of the Lot are fully liable and may be sanctioned for any such violation. If the lessee, or a person living with the lessee, violates the Governing Documents for which a fine is imposed, notice of the violation shall be given to the Owner and the lessee. The fine may be assessed against the Owner after both parties are provided notice and an opportunity for hearing. Unpaid fines shall constitute a lien against the Lot.

Any violation of the Governing Documents adopted pursuant thereto by the lessee, any occupant, or any guest of lessee, is deemed to be a default under the terms of the lease and authorizes the Owner to terminate the lease without liability and to evict the lessee in accordance with Colorado law. If the Association requests that the Owner evict the Owner's tenant based on the terms of this Declaration and the Owner fails to commence such action within 30 days of the date of the Association's notice, the Association may commence eviction proceedings. Upon failure by the Owner to comply with the Association's request to evict, the Owner hereby delegates and assigns to the Association, acting through the Board, the power and authority to evict the lessee as attorney-in-fact on behalf of and for the benefit of the Owner for breaches resulting from the violation of the Governing

Documents adopted pursuant thereto. If the Association evicts the lessee, any costs, including but not limited to reasonable attorney fees actually incurred and court costs associated with the eviction shall be an Assessment and lien against the Lot.

(B) Use of Common Area. The Owner transfers and assigns to the lessee, for the term of the lease, any and all rights and privileges that the Owner has to use the Common Area, including but not limited to, the use of any and all recreational facilities and other amenities.

Section 7.5 Acquisition of Multiple Units. No Owner may own or control more than 10% of the Lots in the Community, directly or indirectly through an affiliate of the Owner, whether through purchase, trade, gift, inheritance, lease, merger, consolidation or other means of acquisition. Notwithstanding anything in this Declaration to the contrary, this restriction on acquisition of Units shall not apply to a mortgagee acquiring title to a Unit subject to a mortgage by foreclosure or deed in lieu of foreclosure. This restriction shall be enforceable by the Association or any Owner by means of an action for injunction to restrain any future acquisition or to require an Owner who has violated this restriction to divest any interest so acquired.

Section 7.6 Landscaping Requirements and Restrictions. Except as set forth herein, the landscaping located in the patio area appurtenant to each Townhome, shall be maintained by the Owner in a good, neat, attractive and well-kept condition, whether xeriscaped or turf, which shall include lawns, if any, mowed, hedges, shrubs, and trees pruned and trimmed and removal of weeds and debris. All trees, plants, and shrubs are to be planted according to City, County, and State code. Planting on Common Area is prohibited without prior written approval by the Board.

_____The landscaping located underneath the eaves of the Townhome, extending from the foundation into the Common Areas, shall be maintained by the Association, except as follows:

- (a) Owners may improve the landscaping under the eaves, not to exceed three feet from the foundation after obtaining approval for the same from the Architectural Review Committee pursuant to this Declaration.
- (b) Once an Owner makes improvements to the landscaping under the eaves of his or her Unit, the Association will no longer be responsible for maintenance of such area, and the Owner shall be responsible for all maintenance and repair of the area.
- (c) In the event that an Owner fails to maintain the landscaping in accordance with the Association's standards, the Association at its sole discretion may choose to enforce its right to maintain that area, pursuant to the terms of this Declaration, including but not limited to, removal of the improvements including any plants, bushes, or trees within such improvements.

Section 7.7 Use of Patios and Balconies. Nothing shall be hung from or placed outside the Townhome, including patios and balconies, unless allowed in the Rules and Regulations.

Section 7.8 Restrictions on Pets. Pets may be kept on a Lot, *if* the Pet is not a nuisance to other residents. Notwithstanding, no more than two Pets may be kept on a Lot. Any Owner or tenant who has more than two Pets as of the date of the recording of this Declaration shall be permitted to keep such Pets until those Pets die or are otherwise no longer kept on the Lot, at which point, the Owner or tenant must be in compliance with the limit on the number of Pets contained in this section. No resident shall maintain or keep any Pet which, in the sole discretion of the Board, is considered to be a danger to the Owners, management staff or residents in the Community or is otherwise considered to be a dangerous breed, as may be further defined in the Rules and Regulations. If a Pet is deemed a nuisance by the Association, the resident having control of the Pet shall be given a written notice to correct the problem and if not corrected, that resident will be required to remove the Pet from the Community pursuant to, and in accordance with, any dispute resolution procedures as may be set forth in this Declaration or the Rules and Regulations, if any. Pets may not be kept for any commercial purposes. Animals are not permitted in the recreational areas. When on Common Area, Pets must be on a leash and under control. Feces left by Pets upon the Common Area must be removed promptly by the owner of the Pet or the person responsible for the Pet. Pets shall not be allowed to defecate or urinate on any patio or balcony in the Community. Owners shall hold the Association harmless from any claim resulting from any action of their Pets or the Pets of their tenants, guests or other invitees.

Section 7.9 Antennae. “Permitted Antennas” are defined as (a) an antenna which is less than one meter in diameter and is used to receive direct broadcast satellite service, including direct-to-home satellite services, or is used to receive or transmit fixed wireless signals via satellite; (b) an antenna which is less than one meter in diameter and is used to receive video programming services via multipoint distribution services, including multichannel multipoint distribution services, instruction television fixed services, and local multipoint distribution services or is used to receive or transmit fixed wireless signals other than via satellite; (c) an antenna which is designed to receive broadcast television broadcast signals; or (d) other antennas which are expressly permitted under applicable federal statutes or regulations. In the event a Permitted Antenna is no longer expressly permitted under applicable federal statutes or regulations, such antenna will no longer be a Permitted Antenna for purposes of this Section.

Permitted Antennas shall be installed in the least conspicuous location available on a Lot which permits acceptable signals, without unreasonable delay or increase in the cost of installation, maintenance or use of the Permitted Antenna. The Association may adopt rules regarding location and installation of Permitted Antennas, subject to limitations of applicable federal law. Except as allowed by federal statutes and regulation, no exterior television or any other antennae, microwave dish, satellite dish, satellite antenna, satellite earth station or similar device of any type shall be erected, installed or maintained on a Lot.

Section 7.10 Tanks. No tanks of any kind (either elevated or buried), except for small portable tanks associated with an outdoor gas grill, shall be erected, placed or permitted upon any Lot without the prior written approval of the Association.

Section 7.11 Nuisances. No nuisance shall be permitted within the Community, nor any use, activity or practice which is the source of unreasonable annoyance or embarrassment to, or which unreasonably offends or disturbs, any Owner or which may unreasonably interfere with the peaceful enjoyment or possession or the proper use of a Lot or any Common Area, or any portion of the Community by residents. Further, no improper, offensive or unlawful use shall be permitted within the Timbers Community or any portion thereof. All valid laws, ordinances and regulations of all governmental bodies having jurisdiction over the Community or a portion thereof shall be observed.

Section 7.12 Vehicular Parking, Storage, and Repairs.

(a) Parking upon any Common Area shall be regulated by the Association.

(b) Ownership of each Lot shall entitle the Owner or Owners thereof to the use of not more than two automobile parking spaces, once of which shall be the garage or carport space assigned to such Lot, and the other of which shall be a space in the unassigned parking areas on a first-come, first-served basis.

(c) The following may not be parked or stored within the Community, unless such parking or storage is within a garage on a Lot, or unless authorized in writing by the Association or is otherwise exempted by Colorado law: oversized vehicles, commercial vehicles over one ton, vehicles with commercial writing on their exteriors, trailers, camping trailers, boat trailers, hauling trailers, boats or accessories thereto, self-contained motorized recreational vehicles, or other oversized types of vehicles or equipment as prohibited by rule or regulation. The foregoing may be parked as a temporary expedience for loading or delivery of goods or services. Overnight parking is prohibited. This restriction shall not apply to commercial vehicles temporarily located within the Community which are necessary for construction or for the maintenance of any Common Area, Lots, or any improvement located thereon.

(d) No abandoned, unlicensed or inoperable automobiles or vehicles of any kind shall be stored or parked on a Lot or within the Community. An "abandoned or inoperable vehicle" shall be defined by Colorado statutes governing inoperable, unlicensed or abandoned vehicles on public streets, or as defined by rule or regulation adopted by the Association.

(e) No motor vehicle may impede the safe and efficient use of streets within the Community by residents, obstruct emergency access to/from the Community or interfere with the reasonable needs of other residents to use their driveway, streets, or guest parking within the Community.

(f) No activity such as, but not limited to, maintenance, repair, rebuilding, dismantling, repainting, or servicing of any kind of vehicle, trailer or boat, may be performed or conducted outside of garages. This provision shall not be deemed to prevent washing and polishing of a vehicle, together with those activities normally incident and necessary to such washing and polishing, provided washing is done with a hose with a shut off valve to prevent waste of water. Minor repairs may be performed, provided they may be completed the day commenced, there is no damage (e.g., oil, residue) to paved areas, and all equipment and parts are removed upon completion of the work. No vehicles may be left unattended on jacks or jack stands.

(g) Parking in fire lanes (as designated by the Association or as designated by local government or a local fire protection authority) shall not be permitted.

(h) If any vehicle is parked on any portion of the Community in violation of this Section or in violation of the Association's Rules and Regulations, the Board may place a notice on the vehicle specifying the nature of the violation and stating that after 72 hours the vehicle may be towed or booted. The notice shall include the name and telephone number of a person to contact regarding the alleged violation. A notice also shall be conspicuously placed at the Community stating the name and telephone number of the person or entity which will do the towing and/or booting hereunder. If 72 hours after such notice is placed on the vehicle the violation continues or thereafter occurs again within six months of such notice, the vehicle may be towed or booted in accordance with the notice, without further notice to the vehicle owner or user, and the owner thereof shall be solely responsible for all towing and storage charges.

(i) If a vehicle is parked in a fire lane, is blocking another vehicle or access to another Owner's or occupant's Lot or Townhome, is obstructing the flow of traffic, is parked on any grassy area, is parked in a space which has been assigned as exclusively serving another Lot, or otherwise creates a hazardous condition, no notice shall be required and the vehicle may be towed or booted immediately.

(j) If a vehicle is towed or booted in accordance with this Section, neither the Association nor any officer or agent of the Association shall be liable to any person for towing and storage costs or for any claim of damage as a result of the towing or booting activity. The Association's right to tow or boot is in addition to, and not in limitation of all other rights of the Association, including the right to assess fines. Notwithstanding anything to the contrary in this Section, the Board may elect to impose fines or use other available sanctions, rather than exercise its authority to tow or boot.

Section 7.13 Use of Common Area. There shall be no obstruction of any Common Area, nor shall anything be kept or stored on any part of any Common Area without the prior written approval of the Association. Nothing shall be altered on, constructed in, or removed from any Common Area without the prior written approval of the Association.

Section 7.14 No Annoying Lights, Sounds or Odors. No light shall be emitted from any portion of the Community which is unreasonably bright or causes unreasonable glare, and no sound or odor shall be emitted from any portion of the Community which would reasonably be found by others to be noxious or offensive. Without limiting the generality of the foregoing, no exterior spot lights, searchlights, speakers, horns, whistles, bells or other light or sound devices shall be located or used on any portion of the Community except with the prior written approval of the Association.

Section 7.15 No Hazardous Activities. No activity shall be conducted on and no improvement shall be constructed on any Property within the Community which is or might be unsafe or hazardous to any person or property. Without limiting the generality of the foregoing, no firearms shall be discharged upon any Property within the Community. No open fires shall be lighted or permitted on any Property within the Community except in a contained barbeque unit while attended and in use for cooking purposes or within an interior or exterior fireplace designed to prevent dispersal of burning embers unless otherwise prohibited by governmental ordinances. No Owner or Owners shall permit any condition on his Lot or Lots which creates a fire hazard or is in violation of applicable fire prevention regulations

Section 7.16 Restrictions on Clotheslines and Storage. Except for retractable clotheslines which comply with reasonable aesthetic regulations adopted by the Board and except as otherwise permitted by Colorado law, no nonretractable clotheslines, drying areas or yards, service yards, shops, equipment, storage or storage areas shall be installed, allowed, kept, maintained or permitted on any Lot unless the same, in each instance, is expressly permitted in writing by the Association. Owners shall deem to hold the Association harmless from any claim resulting from any clotheslines, drying areas or yards, service yards, shops, equipment, storage or storage areas maintained on their Lot.

Section 7.17 Restriction on Signs and Advertising Devices. Except as provided in this Section, no sign, poster, billboard, advertising device or display of any kind shall be erected or maintained anywhere on a Lot except such sign or signs as may be approved in writing by the Association. Signs intended to impact the outcome of an election must be displayed in accordance with the Association's Rules and Regulations. One professionally lettered "For Sale" or "For Rent" sign not to exceed three feet by two feet and one professionally lettered security or alarm system sign not exceeding six inches by six inches may be displayed inside a window of a Lot.

Section 7.18 Outbuildings. An "outbuilding" shall mean an enclosed or covered structure not directly attached to the dwelling it serves. No outbuilding or temporary structure, including sheds, trailers, mobile homes, tents, shacks, barns, or detached garages or carports, shall be allowed on any Lot unless approved in writing by the Board of Directors or the Architectural Review Committee. Further, no outbuilding or temporary structure shall be used on any Lot at any time for residential purposes, either temporarily or permanently.

Section 7.19 Trash Removal Restriction. No garbage, refuse, rubbish, or cuttings shall be deposited on any street, road or any Common Area or on any Lot, unless placed in a suitable container suitably located. All equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition. No garbage cans, trash cans or receptacles shall be maintained in an exposed or unsightly manner. The Association shall have the exclusive right to engage a trash removal contractor on behalf of the Owners.

Section 7.20 Prohibition of Marijuana Distribution and Growing. No Owner or occupant of a Lot may utilize such Lot for the purpose of growing or distributing marijuana or medical marijuana. This prohibition may further be clarified by the Board of Directors through Rules and Regulations. Owners will be responsible for any damage resulting from a violation of this restriction, including but not limited to increased water and utility charges.

Section 7.21 Restrictions on Structural Alterations and Exterior Improvements. No structural alterations to any Townhome or any Common Area or Limited Common Area shall be done by any Owner, without the prior written approval of the Association. No improvement to the exterior of a building which includes a Townhome or to the Common Area shall be constructed, erected, placed or installed within the Community unless complete plans and specifications thereto shall have been first submitted to and approved in writing by the Association.

Section 7.22 Rules and Regulations. In furtherance of the provisions of this Declaration, and the general plan, Rules and Regulations concerning and governing the Community or any portion thereof may be adopted, amended, or repealed from time to time by the Board of Directors. The Board of Directors may establish and enforce penalties for the infraction thereof.

Section 7.23 Compliance with Governing Documents. Each Owner shall comply strictly with the provisions of this Declaration, the Articles of Incorporation, Bylaws, and the Rules and Regulations of the Association, as amended.

Section 7.24 Compliance With Other Laws. No improper, offensive or unlawful use shall be permitted within the Community or any portion thereof. All valid laws, ordinances and regulations of all governmental bodies having jurisdiction over the Community or a portion thereof shall be observed.

Section 7.25 Use of the Words The Timbers Homeowners Association I, Inc. No resident or Owner shall use the words The Timbers Homeowners Association I, Inc. or the logo of the Community or Association, if any, or any derivative thereof, in connection with any goods, materials or services, the use of which is likely to cause confusion, mistake or deception as to the source or origin of such goods, materials or services, without the prior written consent of the Association.

ARTICLE 8

ARCHITECTURAL APPROVAL/DESIGN REVIEW

Section 8.1 Required Approval. No structures, including residences, outbuildings, accessory buildings, tennis courts, swimming pools, antennas (except as otherwise permitted under this Declaration), flag poles (except as otherwise permitted by the Act), fences, walls, exterior lighting, landscaping, or any other improvements shall be constructed, erected, relocated, removed or installed on a Lot, nor shall any alteration or change to the exterior of the improvements, the exterior of a Townhome, to a Lot or to any structure or any attachment to the exterior of a residence (including paint, awnings, patios, decks, or shutters) be commenced unless complete plans and specifications shall have been first submitted to and approved in writing by the Architectural Review Committee ("Committee") as may be outlined in the Rules and Regulations. Only house numbers which were installed by the Association or approved by the Committee shall be used and maintained on any Lot within the Community. The Committee may require that applications of Owners and their plans and specifications show exterior design, height, materials, color, location of the structure or addition to the structure or proposed improvement (plotted horizontally and vertically), location and size of driveways, walls, windbreaks and grading plan, as well as such other materials and information as may be required by the Committee.

Section 8.2 Decoration of Townhome. The rights and restrictions in this Article shall not be construed to restrict an Owner's right to decorate the interior of his or her Townhome as he or she should so determine; provided, however, that to the extent such decoration is visible from the exterior of any Townhome and detracts, in the reasonable judgment of the Board, from the aesthetic or architectural integrity of the Community, the Owner may be required to undertake such reasonable measures as the Board may determine to eliminate such detraction

Section 8.3 Acknowledgment of Owners. Owners acknowledge, accept and agree to the following:

- (a) Owners will not commence construction or installation of an improvement until they have submitted improvement plans and specifications and received written approval from the Committee;
- (b) Owners shall immediately comply with any request by the Association for additional information relating to an improvement prior to the Committee's approval of a request and/or prior to the completion of an improvement. Failure to comply with such a request by an Owner shall result in the withdrawal of Committee approval, if previously granted;
- (c) Committee approval does not constitute approval of the local building or zoning department, drainage design or structural soundness;
- (d) Owners shall notify the Committee of completion of the improvement's

installation or construction within five days of such completion;

(e) Upon completion of an improvement, Owners authorize the Committee or its representative(s) to enter onto the Lot for exterior inspection;

(f) Failure of an Owner to notify the Committee of completion of an approved improvement, or refusal to allow inspection, shall result in the withdrawal of the Committee's approval;

(g) If the improvement as built does not conform to the improvement as approved by the Committee, the Committee's approval will be deemed withdrawn, and upon written request of the Committee, Owners shall, at their own expense and cost, promptly bring the improvement into compliance with the submitted and approved plans and specifications;

(h) In the event of withdrawal of Committee approval for any reason(s) cited in this Section, and upon written request from the Committee, the Owner, at his or her expense and cost, shall promptly restore the Lot to substantially the same condition as it existed prior to commencement of the improvement's installation or construction, and such withdrawal will be deemed to toll the statute of limitations as it pertains to the improvement until such time as the improvement is brought into compliance.

Section 8.4 Architectural Criteria. The Committee shall exercise its reasonable judgment to the end that all attachments, improvements, construction, landscaping and alterations to improvements on a Lot or landscaping of a Lot shall comply with the requirements set forth in this Declaration. The approval or consent of the Committee on matters properly coming before it shall not be unreasonably withheld, and actions taken shall not be arbitrary or capricious. Approval shall be based upon, but not limited to, conformity and harmony of exterior appearance of structures with neighboring structures, effective location and use of improvements on nearby Lots, preservation of aesthetic beauty, and conformity with the specifications and purposes generally set forth in this Declaration. Upon its review of such plans, specifications and submittals, the Committee may require that the applicant(s) reimburse the Board for actual expense incurred by it in its review and approval process.

Section 8.5 Establishment of the Committee. The Committee shall consist of a minimum of three members appointed by the Board of Directors. If no Committee is appointed, the Board of Directors shall act as the Committee. The Board shall have the authority to remove any members of the Committee at their sole discretion.

Section 8.6 Architectural Guidelines. The Committee may propose architectural guidelines from time to time, which guidelines may be approved by the Board of Directors and included in or with any Rules and Regulations of the Association.

Section 8.7 Reply and Communication. The Committee shall reply to all submittal

of plans made in accordance herewith in writing within 45 days after receipt. In the event the Committee fails to take any action on submitted plans and specifications within 45 days after the Committee has received the plans and specifications, approval shall be deemed to be denied; provided, however, nothing in this Section shall authorize anyone to construct or maintain any structure or improvement that is otherwise in violation of this Declaration, the Rules and Regulations or any architectural guidelines adopted by the Board. All communications and submittals shall be addressed to the Committee in care of the Association.

Section 8.8 Condition of Approval. In the discretion of the Board or the Committee, an Owner may be required to enter into a written agreement establishing the approval of an application in recordable form acknowledged by such Owner on behalf of himself or herself and all successors-in-interest. As a condition of approval for a requested architectural change, modification, addition or alteration, an Owner, on behalf of himself or herself and his or her successors-in-interest affirms and shall assume, unless otherwise agreed in writing, all responsibilities for maintenance, repair, replacement and insurance to and on such change, modification, addition or alteration.

Section 8.9 Commencement and Completion of Construction. All improvements approved by the Committee must be commenced within 30 days from the date of approval. If not commenced within such time, then such approval shall be deemed revoked by the Committee, unless the Committee gives a written extension for commencing the work. Additionally, except with written Committee approval otherwise, and except for delays caused by strikes, fires, national emergencies, critical materials shortages or other intervening forces beyond the control of the Owner, all work approved by the Committee shall be completed within 90 days of commencement.

Section 8.10 Variances. The Committee may grant reasonable variances or adjustments from any conditions and restrictions imposed by this Declaration in order to overcome practical difficulties and unnecessary hardships arising by reason of the application of the conditions and restrictions contained in this Declaration or in architectural guidelines.

Section 8.11 Right to Appeal. If the Board of Directors is not acting as the Committee, an Owner whose plans have been disapproved or conditionally approved may appeal any decision of the Committee to the Board of Directors. The Board of Directors shall review the decision of the Committee pursuant to the criteria set forth in this Article and the architectural guidelines. Any decision of the Committee may be overruled and reversed on appeal by a majority of the directors by a written decision setting forth the reasons for the reversal when the directors conclude that the Committee's decision was inconsistent with the criteria set forth in this Article and/or the guidelines.

Section 8.12 Waivers. The approval or consent of the Committee, or appointed representative thereof, to any application for architectural approval shall not be deemed to constitute a waiver of any right to hold or deny approval or consent by the Committee as to any application or other matters subsequently or additionally submitted for approval or consent.

Section 8.13 Liability. The Committee and the members thereof, as well as any representative of the Board designated to act on its behalf, shall not be liable in damages to any person submitting requests for approval or to any approval, or failure to approve or disapprove in regard to any matter within its jurisdiction under these covenants. The Committee shall not bear any responsibility for ensuring structural integrity or soundness of approved construction or modifications, or for ensuring compliance with building codes and other governmental requirements.

Section 8.14 Enforcement. Enforcement of these covenants, restrictions, charges and other provisions, as amended, may be by any proceeding at law or in equity against any person or persons violating or attempting to violate any such provision. The Association shall have the right but not the obligation to institute, maintain and prosecute any such proceedings. In any action instituted or maintained under this Section, the Association may be entitled to recover its costs and reasonable attorney fees incurred pursuant thereto, as well as any and all other sums awarded by the court. Additionally or in the alternative, the Association may levy fines after notice and an opportunity for a hearing. Failure of the Association to enforce any covenant or restriction in this Section shall in no event be deemed a waiver of the right to do so thereafter.

ARTICLE 9 INSURANCE

Section 9.1 Insurance to be Carried by the Association. The Association shall obtain and maintain in full force and effect to the extent reasonably available, and at all times, the insurance coverage set forth in this Declaration, which insurance coverage shall be provided by financially responsible and able companies duly authorized to do business in the State of Colorado. All insurance purchased by the Association shall be purchased from companies with ratings of "A" or better, to the extent that insurance is available at reasonable cost to the Association through such companies.

Section 9.2 Real Property Insurance on the Townhomes and Common Areas.

(a) The Association shall obtain insurance providing all risk coverage or the nearest equivalent available for the full replacement cost, without deduction for depreciation, for all insurable improvements located on the Common Areas, the Townhomes, and the other property of the Association.

(b) The Association's insurance policy shall cover that property within the Community as set forth in Exhibit A of this Declaration, regardless of ownership.

(c) If the Board of Directors changes policies so that a lesser level of coverage is provided, the Board shall notify all Owners in writing at least 10 days prior to the commencement of the policy with reduced coverage.

(d) All policies shall contain a standard non-contributory mortgage clause in favor of each first mortgagee, and their successors and assigns, which shall provide that the loss, if any thereunder, shall be payable to the Association for the use and benefit of such first mortgagee, and their successors and assigns, as their interests may appear of record in the records of the office of the Clerk and Recorder of Arapahoe County.

(e) The Association may also obtain any additional endorsements which it deems advisable and in the best interests of the Community by the Board of Directors.

(f) The insurance described in this Section shall be inflation coverage insurance, if such insurance is available, which shall at all times represent 100% of the replacement value of all facilities in the Common Area except land, foundation, excavation and other items normally excluded from coverage and except for any deductible provisions as permitted under this Article.

(g) At least every three years, the Association may obtain an appraisal for insurance purposes which shall be maintained as a permanent record showing that the insurance in any year represents 100% of the replacement value of each Lot and the facilities in the Common Area.

(h) The Association's insurance policy may contain a reasonable deductible, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance equals at least the replacement cost of the insured property.

Section 9.3 Association Flood Insurance. The Association shall obtain flood insurance to the extent required by the Federal Emergency Management Agency (FEMA) or any other governmental agency.

Section 9.4 Liability Insurance. The Association shall obtain a comprehensive policy of public liability and property damage liability insurance covering all of the Townhomes (excluding liability within each Townhome) and the Common Areas, including structural coverage of the Townhomes, in such limits as the Board may from time to time determine, but not in any amount less than a combined single limit of \$1,000,000.00, and in all cases covering all claims for bodily injury or property damage. Coverage shall include, without limitation, liability for personal injuries, operation of automobiles on behalf of the Association, and activities in connection with the ownership, operation, maintenance and other uses of the Lots and the Common Area. The foregoing liability insurance shall name the Association as the insured.

Section 9.5 Fidelity Insurance. The Association shall obtain fidelity coverage or fidelity bonds to protect against dishonest acts on the parts of its officers, directors, trustees, volunteers and employees and on the part of all others who handle or are responsible for handling the funds of the Association, including persons who serve the Association with or without

compensation. The clause "officers, directors, trustees and employees" shall not include any officer, director, agent or employee of any independent, professional manager or managing agent heretofore or hereafter employed by the Association. The fidelity coverage or bonds should be in an amount sufficient to cover the maximum funds that will be in the control of the Association, its officers, directors, trustees and employees, but in no event less than two months of Assessments plus reserves. If the Association retains a Managing Agent, the Managing Agent shall be required to provide such fidelity insurance covering itself and its employees and naming the Association as the loss payee.

Section 9.6 Workers Compensation. The Association shall obtain and maintain workers' compensation and employer's liability insurance and all other similar insurance with respect to employees of the Association in the amounts and in forms now or hereafter required by law.

Section 9.7 Director and Officer Liability Insurance. The Association shall purchase directors' and officers' insurance in an amount reasonably necessary to protect the directors and officers.

Section 9.8 Other Insurance. The Association may obtain insurance against such other risks, of similar or dissimilar nature as it shall deem appropriate with respect to the Association's responsibilities and duties.

Section 9.9 Miscellaneous Terms Governing Insurance Carried by the Association. The Association shall maintain, to the extent reasonably available and necessary, policies with the following terms or provisions:

- (a) All policies of insurance shall provide that each Owner is an insured under the policy with respect to liability arising out of such Owner's membership in the Association.
- (b) All policies of insurance shall contain waivers of subrogation against any Owner or member of his or her household.
- (c) All policies of insurance shall contain waivers of any defense based on invalidity arising from any acts of an Owner and shall provide that such policies may not be canceled or modified without at least 45 days prior written notice to all of the Owners, holders of first mortgages and the Association.
- (d) If requested, certificates of insurance and renewals thereof, together with proof of payments of premiums, shall be delivered to all first mortgagees at least 10 days prior to expiration of the then current policies.
- (e) All liability insurance shall be carried in blanket form naming the Association, the Board, the manager or managing agent, if any, and the officers of the As-

sociation, as insureds.

(f) Prior to renewing casualty insurance and not less than every three years, pursuant to the provisions hereof, the Board may obtain an appraisal from a duly qualified real estate or insurance appraiser, which appraiser shall reasonably estimate the full replacement cost of the Townhomes and the Common Area, without deduction for depreciation, review any increases in the cost of living, and/or consider other factors, for the purpose of determining the amount of the insurance to be effected pursuant to the provisions hereof. In no event shall any casualty insurance policy contain a co-insurance clause.

(g) All policies of insurance of the Association shall be primary, providing the primary insurance of the loss, if there is other insurance in the name of the Owner.

(h) All policies of insurance shall provide that the insurance thereunder shall not be invalidated, suspended, voidable or have any condition of recovery due to an act or omission by any Owner, only in respect to the interest of any particular Owner guilty of a breach of warranty, act, omission, negligence or non-compliance of any provision of such policy, including payment of the insurance premium applicable to the Owner's interest, or who permits or fails to prevent the happening of any event, whether occurring before or after a loss, which under the provisions of such policy would otherwise invalidate or suspend the entire policy, but the insurance under any such policy, as to the interests of all other insured Owners not guilty of any such act or omission, shall not be invalidated or suspended and shall remain in full force and effect.

Section 9.10 Insurance Obtained by Owners. Each Owner shall be responsible for maintaining insurance which covers his Lot to the extent not covered by policies maintained by the Association. Such insurance shall include, but may not be limited to, furnishings and personal or other property in the Townhome and liability insurance for injury, death or damage in the Townhome or upon the Lot. Any such policy shall contain waivers of subrogation and shall be so written that the liability of the carriers issuing insurance obtained by the Association shall not be affected or diminished thereby.

Section 9.11 Insurance Premium. Insurance premiums for the above provided insurance shall be a Common Expense to be included as a part of the annual Assessments levied by the Association.

Section 9.12 Managing Agent Insurance. The manager or managing agent, if any, shall be insured for the benefit of the Association, and shall maintain and submit evidence of such coverage to the Association, including professional liability or errors and omissions insurance, workers' compensation, unemployment and fidelity coverage.

Section 9.13 Waiver of Claims Against Association. As to all policies of insurance maintained by or for the benefit of the Association and Owners, the Association and the Owners hereby waive and release all claims against one another and the Board, to the extent of the insurance proceeds available, whether or not the insurance damage or injury is caused by the negligence of or breach of any agreement by these persons.

Section 9.14 Adjustments by the Association. Any loss covered by an insurance policy described above shall be adjusted by the Association, and the insurance proceeds for that loss shall be payable to the Association, and not to any first mortgagee. The Association shall hold any insurance proceeds in trust for the Association, Owners and first mortgagees as their interests may appear. The proceeds must be distributed first for the repair or restoration of the damaged property, and the Association, Owners and first mortgagees are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the damaged property has been completely repaired or restored. If the insurance proceeds are insufficient to cover the cost of repair or reconstruction, the Association may levy a Special Assessment to cover the short fall (or deductible) pursuant to this Declaration.

Section 9.15 Duty to Repair. Any portion of the Property and Common Area for which insurance is required under this Article which is damaged or destroyed must be repaired or replaced promptly by the Association or Owner.

Section 9.16 Condemnation and Casualty Insurance Allocations and Distributions. In the event of a distribution of condemnation proceeds or hazard insurance proceeds to the Owners, the distribution shall be to the parties as their interests and rights are determined or allocated by record or as set forth in the Act.

Section 9.17 Responsibility for Payment of Deductible Amount. Whether the Board, in its discretion, chooses to submit a claim under the Association insurance policies or not, the payment of the deductible amount for claims which the Association is responsible for insuring shall be as follows:

(a) The Association shall pay or absorb the deductible amount for any work, repairs or reconstruction for damage to Common Area unless the damage is the liability of an Owner, his family, guests, or invitees, as set forth in this Declaration, in which case the Association shall seek reimbursement of the deductible amount as an Assessment in compliance with and under the terms of this Declaration.

(b) The Owner shall pay or absorb the deductible for any loss to the Lot that would be the responsibility of the Owner in the absence of insurance unless the loss is caused by the negligent or willful act or omission of the Association or another Owner, in which case the negligent party shall be responsible for the deductible. If a negligent Owner fails to pay the deductible for damage to a Lot, the Association may, but shall not be obligated to seek the deductible on behalf of the Owner suffering the loss as provided in this Declaration for the collection of Assessments. If a Lot or Party Wall is damaged,

then the Owner of that Lot or the Owners sharing the Party Wall shall have primary responsibility, either directly or through his insurance company, for handling and paying for, any work, repairs, reconstruction or replacement.

Section 9.18 Insurance Assessments. If the proceeds of insurance are not sufficient to defray the costs of reconstruction and repair due to deductibles allocated to the Association or failure of the Association to maintain coverage to defray costs of repair and reconstruction which in the absence of insurance would be the maintenance responsibility of the Association, the deductible or additional cost shall be a Common Expense. This Assessment shall not be considered an Assessment as discussed in this Declaration and shall not require any vote or ratification of the Owners.

Section 9.19 Association as Attorney-in-Fact. Each Owner hereby irrevocably appoints the Association as the Owner's true and lawful attorney-in-fact for the purposes of dealing with any improvements covered by insurance written in the name of the Association pursuant to this Article upon their damage or destruction as provided in this Declaration, or a complete or partial taking or condemnation as provided in this Declaration. Acceptance by a grantee of a deed or other instrument of conveyance conveying any portion of the Property shall constitute appointment of the Association as the grantee's attorney-in-fact, and the Association shall have full authorization, right, and power to make, execute, and deliver any contract, assignment, deed, waiver, or other instrument with respect to the interest of any Owner which may be necessary to exercise the powers granted to the Association as attorney-in-fact. Furthermore, if so requested, an Owner shall execute a separate instrument specifically setting forth this appointment.

Section 9.20 Payment of Claims to Delinquent Owners. Notwithstanding anything to the contrary in this Declaration, the event of an insured loss under the Association's master hazard insurance policy for which the Association receives from the insurer payment for a loss sustained by an Owner who is delinquent in payment of Assessments owed to the Association under this Declaration hereof, then the Association may retain and apply such proceeds recovered to the delinquency. Any surplus remaining after application of the proceeds to any delinquency shall be paid by the Association to the affected Owner.

ARTICLE 10 DISPUTE RESOLUTION PROCEDURES

Section 10.1 Alternate Dispute Resolution. The (a) Association (including its officers, directors and committee members), (b) all Owners, and (c) any other person or entity not otherwise subject to this Declaration who agrees to submit to this Article (a "Bound Party") agree to encourage the amicable resolution of disputes involving the Community without the emotional and financial costs of litigation. Accordingly, each Bound Party hereby covenants and agrees to submit all claims, grievances, controversies or disputes arising out of or relating to the interpretation, application or enforcement of this Declaration, the Bylaws, the rules and regulations of the Association, the design or construction of any improvements on the Property, or otherwise relating to the Community (the "Claims") to the dispute resolution procedures set forth in this Article, with the exception of the "Exempt Claims" described in this Article.

Section 10.2 Exempt Claims. The provisions of this Article shall not apply to, and the term "Claims" shall not include, any of the following: (a) the imposition and collection of Assessments or other charges levied under the Assessments section of this Declaration, including actions to foreclose assessment liens; (b) a suit by the Association to obtain a injunctive relief; (c) proceedings involving challenges to ad valorem taxation, (d) counterclaims brought by the Association in proceedings instituted against it; (e) claims of the Association; and (f) claims against a non-Bound Party.

Section 10.3 Claim Resolution Procedures. All Claims other than Exempt Claims shall be resolved using the following procedures in lieu of litigation:

(a) Any Bound Party having a Claim ("Claimant") against any other Bound Party ("Respondent"), other than an Exempt Claim, shall notify each Respondent in writing of the Claim (the "Notice"), stating plainly and concisely (i) the nature of the Claim, including the date, time, location, persons involved, and Respondent's role in the Claim, (ii) the basis of the Claim (i.e. the provisions of this Declaration, the Bylaws, the Articles, Rules or Regulations or other authority out of which the Claim arises); (iii) what Claimant wants Respondent to do or not do to resolve the Claim; and (iv) that Claimant wishes to resolve the Claim by mutual agreement with Respondent, and is willing to meet in person with Respondent at a mutually agreeable time and place to discuss in good faith ways to resolve the Claim.

(b) Each Claimant and Respondent (the "Parties") shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation.

(c) Upon receipt of a written request from any Party, accompanied by a copy of the Notice, the Board may appoint a representative to assist the Parties in resolving the dispute by negotiation, if in its discretion it believes its efforts will be beneficial to the Parties and to the welfare of the Community.

(d) If the Parties do not resolve the Claim through negotiation within 30 days of the date of the Notice (or within such other period as may be agreed upon by the Parties) ("Termination of Negotiations"), Claimant shall have 30 additional days within which to submit the Claim to mediation under the auspices of an independent mediation service designated by the Association or such other mediator upon which the Parties may agree.

(e) If Claimant does not submit the Claim to mediation within 30 days after Termination of Negotiations, Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to persons or entities not a Party to the foregoing proceedings.

(f) If the Parties do not settle the Claim within 30 days after submission of the matter to the mediation process, or within such time as determined reasonable or appropriate by the mediator, the mediator shall issue a notice of termination of the mediation proceedings ("Termination of Mediation"). The Termination of Mediation notice shall set forth when and where the parties met, that the Parties are at an impasse, and the date that mediation was terminated.

(g) Each Party shall, within 10 days of the Termination of Mediation, make a written offer of settlement in an effort to resolve the Claim. The Claimant shall make a final written settlement demand ("Settlement Demand") to the Respondent. The Respondent shall make a final written settlement offer ("Settlement Offer") to the Claimant. If the Claimant fails to make a Settlement Demand, Claimant's original Notice shall constitute the Settlement Demand. If the Respondent fails to make a Settlement Offer, Respondent shall be deemed to have made a "zero" or "take nothing" Settlement Offer.

(h) Subject to subsection (i) below, if the Parties do not agree in writing to accept either the Settlement Demand, the Settlement Offer, or otherwise resolve the Claim within 20 days of the Termination of Mediation, the Claimant shall have 15 additional days to submit the Claim to arbitration in accordance with the appropriate rules of the American Arbitration Association, or the Claim shall be deemed abandoned, and Respondent shall be released and discharged from any and all liability to Claimant arising out of such Claim; provided nothing herein shall release or discharge Respondent from any liability to persons not a party to the foregoing proceedings.

(i) If a Claim alleges that any improvements located on the Properties suffer from construction or design defects, the following additional requirements must be satisfied before such a Claim may be submitted to arbitration: (a) if the Claim relates to one or more Lots, the written approval of the Owner of each such Lot shall be obtained; (b) if the Claim relates generally to improvements on the Common Areas, the written approval of at least 67% of all Owners must be obtained; and (c) if the Claim is to be pursued by the Association, the Association shall hold a meeting of the Members no sooner than 10 days following the Association providing a written statement to all Owners discussing the potential Claim. Such written statement must include at least the following information: (i) a statement of the Claim and the Respondent's response thereto, including any settlement offer; (II) an estimate of the time and costs of pursuing such Claim, (III) the potential impact of the Claim on the marketability of the Lots; and (IV) a statement advising the Owners of their duty to disclose the Claim or alleged defect to prospective purchasers of their Lots. Such written statement shall also be sent to the Respondent at least 10 days before such meeting and the Respondent shall have the right to attend and make a presentation at such meeting.

(j) This Article is an agreement of the Bound Parties to arbitrate all Claims except Exempt Claims and is specifically enforceable under the applicable arbitration law of the State of Colorado. The arbitration award (the "Award") shall be final and binding, and judgment may be entered upon it in any court of competent jurisdiction to the fullest

extent permitted under the laws of the State of Colorado.

(k) If the Claims are resolved through negotiation or mediation as provided above, each Bound Party shall bear all of its own costs incurred in resolving the Claims, including its attorney fees and mediation expenses, unless the Bound Parties otherwise agree. If the Claims are not resolved through negotiation or mediation as provided above and the Claims go to binding arbitration, the "Prevailing Party" shall receive as a part of its Award from the opposing Party(ies) all of its costs, including attorney fees, costs for other representatives in resolving such Claim, and any expenses incurred as a result of the dispute resolution procedures of this Article.

(l) For purposes of subparagraph (k) above, if the Award is equal or more favorable to Claimant than Claimant's Settlement Demand, the Claimant shall be deemed to be the Prevailing Party; if the Award is equal to or less favorable to Claimant than any Respondent's Settlement Offer, such Respondent shall be deemed to be the Prevailing Party. If neither of the above apply, neither party shall be deemed a Prevailing Party and each shall bear its own costs and expenses, including attorney fees.

(m) If the Parties agree to resolve any Claim through negotiation or mediation as set forth above, and any Party thereafter fails to abide by the terms of such agreement, or if any Party fails to comply with the Award, then any other Party may file suit or initiate administrative proceedings to enforce such agreement or Award without need to comply with the provisions of this Article. In such event, the Party taking action to enforce the agreement or Award shall be entitled to recover from the non-complying Party (or if more than one noncomplying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement or Award, including without limitation, attorney fees and costs.

ARTICLE 11 MISCELLANEOUS AND GENERAL PROVISIONS

Section 11.1 Compliance and Enforcement.

(a) Every Owner and occupant of a Lot shall comply with the Governing Documents, and each Owner shall have the right to enforce the covenants and restrictions, as set forth in this Declaration.

(b) The Association may enforce all applicable provisions of this Declaration, and may impose sanctions for violation of the Governing Documents. Such sanctions may include, without limitation:

- (i) imposing reasonable monetary fines, after notice and opportunity for a hearing, which fine shall constitute a lien upon the violator's Lot;
- (ii) suspending the right to vote or use Common Area;

(iii) exercising self-help or taking action to abate any violation of the Governing Documents;

(iv) requiring an Owner, at the Owner's expense, to remove any structure or improvement on such Owner's Lot in violation of the Governing Documents and to restore the Lot to its previous condition and, upon failure of the Owner to do so, the Board or its designee shall have the right to enter the property, remove the violation and restore the property to substantially the same condition as previously existed and any such action shall not be deemed a trespass, with all fees and costs in connection with such removal and restoration to be assessed to the Owner as an Assessment under the terms of this Declaration;

(v) without liability to any person, the Association precluding any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Declaration from continuing or performing any further activities in the Community;

(vi) levying specific Assessments to cover costs incurred by the Association to bring a Lot into compliance with the Governing Documents; and

(vii) bringing suit at law or in equity to enjoin any violation or to recover monetary damages or both.

(c) In addition to any other enforcement rights, if an Owner fails to properly perform his or her maintenance responsibility, or otherwise fails to comply with the Governing Documents, the Association may record a notice of violation or perform such maintenance responsibilities and assess all costs incurred by the Association against the Lot and the Owner as a specific Assessment. The Association shall provide the Owner reasonable notice and an opportunity to cure the problem prior to taking such enforcement action.

(d) All remedies set forth in the Governing Documents shall be cumulative of any remedies available at law or in equity. In any action to enforce the Governing Documents, the prevailing party shall be entitled to recover all costs, including, without limitation, attorney fees and court costs, reasonably incurred in such action.

(e) The decision of the Association to pursue enforcement action in any particular case shall be left to the Board's discretion, subject to the duty to exercise judgment and be reasonable, as provided for in this Declaration, and further restricted in that the Board shall not be arbitrary or capricious in taking enforcement action.

If an Owner or an Owner's family member, guest, tenant, invitee or licensee fails to comply with any other provision of the Governing Documents, the Association may seek reimbursement for reasonable attorney fees and costs incurred as a result of such failure to comply, without the necessity of commencing a legal proceeding. In a legal proceeding in any way related to the Governing Documents or the Community, the court shall award to the party prevailing on each claim the prevailing party's reasonable attorney fees and costs incurred in asserting or defending the claim. Such reasonable attorney fees and costs, if awarded against an Owner, shall be charged as an Assessment and shall constitute a lien against the Lot.

Section 11.6 Amendment of Declaration by Owners. Except as otherwise provided in this Declaration, any provision, covenant, condition, restriction or equitable servitude contained in this Declaration may be amended, revised, removed or repealed, and new provisions, covenants, conditions, restrictions or equitable servitudes may be added, at any time and from time to time upon approval of at least 67% of the votes in the Association. Said votes may be obtained in any method allowed by the Governing Documents of the Association. The amendment or repeal shall be effective upon the recordation in the office of the Clerk and Recorder of the Arapahoe County, of a certificate, setting forth the amendment in full and certifying that the amendment has been approved as set forth above, and containing the written consent and approval of the Association.
